

# Dividable VantageBin™

## Efficient Organization with Customizable Storage!

Introducing the Dividable VantageBin, the newest addition to the Akro-Mils family of material handling and organization products. This sturdy, functional bin features integrated channels for dovetailed dividers, making it customizable to fit unique sizes of products. Use the dividers to create up to ten compartments. Generously sized for a variety of products, the Dividable VantageBin is another versatile, hard-working product from Akro-Mils, the leader in storage and organization.

- Fits on standard 24" deep or 24" wide shelving or counter top
- Bins nest when empty to conserve storage space
- Ten dividable sections
- Sturdy polypropylene construction
- 24" x 5½" x 7"
- Available in two colors: White and Gray

**Dovetailed divider** edges securely lock in dividers to help maintain bin shape under heavy loads

**Dividable VantageBin™**
