# Easy Flow Gravity Hopper

## A Unique Way to Improve Workflow!

Akro-Mils introduces the new **Easy Flow Gravity Hopper**. This unique, rotational-molded hopper provides an exceptional amount of product storage, while saving space through a compact vertical design. The large, angled top opening allows easy filling, whether used on the Gravity Hopper Floor Rack or freestanding on a work platform. The generous picking area provides easy access to the loaded product, while keeping it neatly contained and sorted.

- Great for: fasteners, assembly areas, KANBAN, inventory stock, merchandiser and work cells
- 75 lbs. capacity per hopper; 900 lbs. total when used with the new 31625RACK (see reverse)
- HDPE rotational molding for strength and durability
- 2 color options: Red and Blue

Works freestanding, or can be combined with the optional rack to create work cells or KANBAN stations

### Easy Flow Gravity Hopper

| Model No. | Inches |      |    | mm  |     |     | Load Capacity |        |       | Ctn. Qty. |
|-----------|--------|------|----|-----|-----|-----|---------------|--------|-------|-----------|
|           | L      | W    | H  | L   | W   | H   | lbs.          | cu.in. | gal   |           |
| 31625     | 18     | 19.5 | 10 | 457 | 495 | 254 | 75            | 2400   | 10.39 | 1         |

Specify color when ordering: Red or Blue

31625RACK holds 6 Easy Flow Gravity Hoppers per side for maximum efficiency

*Increase your efficiency and product capacity in storage, assembly and inventory operations with the new Easy Flow Gravity Hopper!*

# Gravity Hopper Floor Rack

*For use with the Akro-Mils Easy Flow Gravity Hopper*

## A Complete System for any Picking, Sorting or Assembly Operation!

Akro-Mils' Gravity Hopper Floor Rack is designed especially for the new Easy Flow Gravity Hopper. This easily assembled rack is designed to hold 6 large Gravity Hoppers on each side, making your picking, sorting or assembly operations work more efficiently and quickly. The rack reduces the amount of product stored on floors and table tops, improving safety and production.

- 13 gauge steel
- 900 lb. load capacity
- Adjustable rail heights

*Double-Sided Gravity Hopper Rack Unit  
Model No. 31625RACK*

**Efficient Workstations**

*Combined with the new Easy Flow Gravity Hopper, this floor rack will provide efficient, long-lasting storage and organization for any application.*
