# 33" Wide AkroBin®

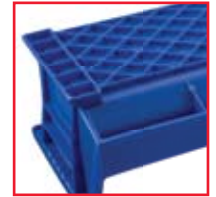

## Great Lengths to Organize More Efficiently!

Sort, store, and organize parts and products at great lengths with the new 33" AkroBin! Available with removable dividers and optional lid accessory (sold separately)\*, this bin is customizable to fit specific applications. Store extra long parts or create up to 8 different compartments through insertion or removal of the dividers, making this one of the most flexible products in your material handling system!

- From 1 to 8 compartments, depending on divider placement
- Optional lid and dividers sold separately\*
- 2.5" divider available now; 4" divider available late 2007
- Fits on standard Akro-Mils rail, louver and 36" shelf systems
- Reinforced sides for secure stacking
- 33"W x 8<sup>5</sup>/<sub>8</sub>"L x 5"H
- Available in 5 colors: Yellow, Red, Blue, Green and Stone

Bin holds multiple sizes and shapes of materials

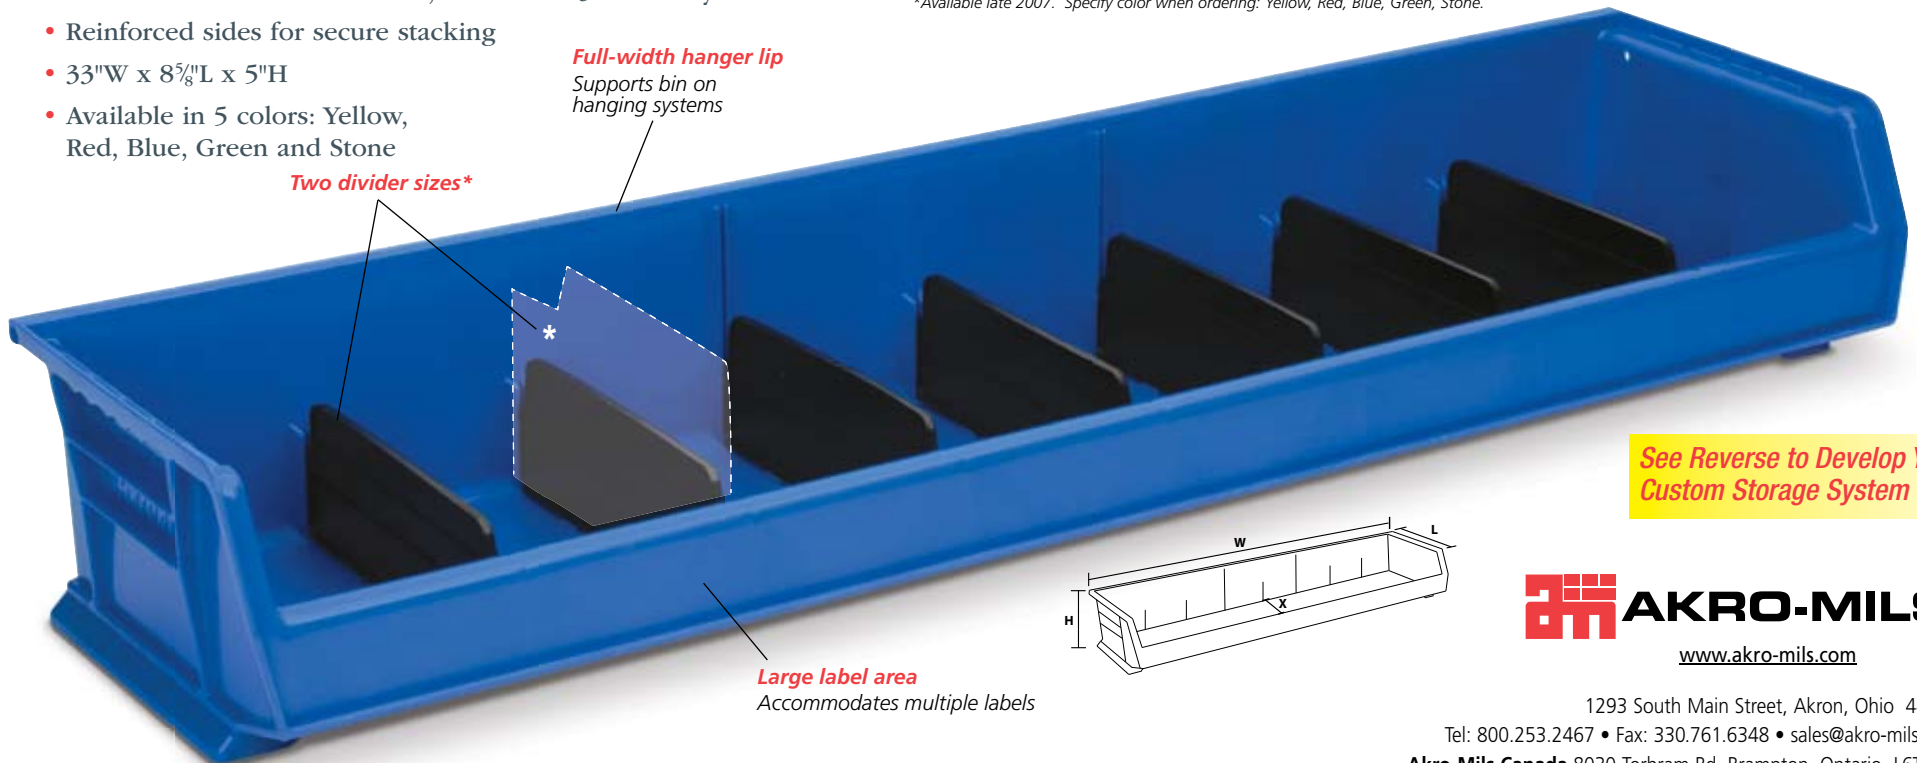

Rigid grid design on base provides additional load support

# Louvered Hanging Systems

## More Options to Organize More Efficiently!

Introducing new louvered rack and panel sizes! These steel panels, in lengths from 18" to 36", now give you even more options to help organize your work and storage spaces. Redesigned construction allows a more finished look, while still providing the same strength and durability of other Akro-Mils panels. Set up and installation are quick and easy. Combined with other Akro-Mils storage products, these new panels and racks will help you make optimal use of your available space.

- Maximize parts storage and handling efficiency
- Secure stationary racks to the wall or floor and wall-mountable panels to a solid structure
- Easy, one-person assembly
- For use with AkroBins to create the ultimate storage system\*
